DISCLOSURE
In compliance with ACCME requirements and guidelines, the ACR has developed a policy for review and disclosure of potential conflicts of interest, and a method of resolution if a conflict does exist. The ACR maintains a tradition of scientific integrity and objectivity in its educational activities. In order to preserve this integrity and objectivity, all individuals participating as planners, presenters, moderators and evaluators in an ACR educational activity or an activity jointly sponsored by the ACR must appropriately disclose any financial relationship with a commercial organization that may have an interest in the content of the educational activity.

The following planners, presenters, and evaluators have disclosed no financial interests, arrangements or affiliations in the context of this activity:

The content reviewer listed below has indicated that he has no financial relationships related to the material being presented:

Nirvikar Dahiya, MD

The content reviewer listed below has indicated that they have no relevant financial relationships.

Steve Chmielewski, MD

The speakers, moderators, planners and staff listed below have indicated that they have no relevant financial relationships or potential conflicts of interest related to the material presented, and that they do not intend to discuss or describe, in the educational content, a use of a medical device or pharmaceutical that is classified by the Food and Drug Administration (FDA) as investigational for intended use.
